1. Letter from the Board of Directors

Mount Tamborine Convention (MTC) is a Christian ministry that exists in order to see people's lives changed by Christ through the preaching of God's word, by His Spirit. The preached word needs to be a lived word not just for the delegates who attend conventions, but for all those involved in the MTC ministries. We are keenly aware of the continued integrity of life before God required from all involved: "Be holy because I am Holy" (1 Peter 1:16).

We are aware of how easily this ministry, and the gospel of the Lord Jesus Christ, may be called into disrepute by our own sin. As fallen human beings we are all weak, and liable to sin in thought, word and deed. At times we consciously and wilfully enter into certain behaviours that are disobedient, displeasing to God, unworthy of Him and dishonouring to His Name. We are therefore never without need of God's grace, mercy and forgiveness as we continue to work out our salvation and seek to be conformed to the likeness of His Son (Acts 3:19-21; Rom. 10:9-10; 1 Cor. 6:9-11).

This Code of Conduct sets out guidelines for behaviour for all people involved in the ministry of MTC. God does not leave us without instructions concerning His expectations for His people. In His kindness Scripture provides instruction and guidelines on how one should live in the Kingdom of God as the Spirit of God brings the truth of His word to bear upon our lives. Given the increasing ignorance of God's word even among people of faith and the many changes in our society, it is no longer appropriate to assume that every Christian will think alike concerning what is acceptable behaviour. Grounded in Scripture as our final authority in all matters of life and faith, this Code seeks to clarify and articulate our understanding of appropriate Christian behaviour to ensure a common understanding of MTC's expectations.

It is the hope and prayer of the MTC Board that every person engaged in the ministries of MTC will honour the Lord Jesus in every aspect of life and so willingly abide by this Code of Conduct.

Bill Vine
Chairperson, on behalf of the MTC Board

3. About MTC

The Convention which eventually found its way to Mt Tamborine was a local expression of a world-wide movement. The Keswick Movement was establishing conventions with the express purpose of deepening of spiritual lives of Christians. The first and possibly the best known of these was held at Keswick, England, in 1875 and that tradition has continued ever since. Because of this history, these conventions are often referred to as Keswick Conventions. With the examples already established by Belgrave Heights Convention in Victoria and Katoomba Christian Convention in NSW, the South Queensland Christian Convention committee sought to find a quiet, rural and cooler location for locals from south east Queensland to come for times of refreshment and enrichment.

Having relocated the Christmas/New Year Convention from Margate and joining in with the pre-existing Mt Tamborine Convention (which had been operating under the leadership of returned China Inland Mission (CIM) missionary Jack Mathewson from the early 1930s), the event was regularly held at Eagle Heights on hired premises utilising tents and local guest-houses as well as a marquee for the main meetings. The Convention Committee discovered that a 50-acre dairy farm at the end of Beacon Rd was for sale and the committee became convinced that this would be an excellent location for the growing ministry. The property was purchased, a water bore was sunk and the old farmhouse and associated buildings were utilised as the caretaker's residence and basic kitchen and lodgings. Each year, over tens of thousands of hours of volunteer and paid staff work make the MTC ministry possible. From those who help with every aspect of maintaining the property and of facilitating the running of conventions through to our Board, a great deal of effort is invested in the MTC ministry every year.

MTC presently runs several conventions each year at Mt Tamborine and facilitates the running of other conventions by like-minded organisations.

4. Statement of Faith

Outlined below is an elucidation for today of our original and official constitutional doctrinal Statement of Faith of the essential truths of Christianity, as revealed to us in the Bible, which we desire to shape every aspect of our ministry.

This Statement of Faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For the purposes of MTC's faith, doctrine, practice, policy, and discipline, our Board is MTC's final interpretive authority on the Bible's meaning and application.

If you are unable to affirm this statement for any reason, then please speak to an appropriate MTC representative. A list of appropriate MTC representatives can be found at the end of this document.

I believe in:

1. The divine inspiration, authority and sufficiency of the Holy Scriptures as all that is necessary for faith and life.

(Psalm 19:7-11; 2 Timothy 3:15-17; 1 Peter 1:10-12; 2 Peter 1:20-21)

2. The unity of the Godhead with the distinction of Persons in that unity namely the Father and the Son and the Holy Spirit to Whom equal honour is due.

(Genesis 1:2, 26; Deuteronomy 6:4; John 1:1, 2; 5:17, 22-23; 14:25-26; 16:7, 27, 28; Philippians 2:6; Hebrews 1:1-3)

3. (a) That the Son of God truly became man being begotten of the Holy Spirit and born of the Virgin Mary. (Matthew 1:20-25; Luke 1:35; John 1:14; Romans 8:3; Galatians 4:4)

(b) That His death was a sacrifice to God and a turning away of God's wrath for the remission of sins. (Romans 4:25; 2 Corinthians 5:21; Hebrews 9:24-28; 10:12-14)

(c) That He was raised bodily from the dead. (Matthew 28:5-7; 1 Corinthians 15:20)

(d) That He ascended to the right hand of God and is now the all-sufficient High Priest of His people. (Mark 16:19, 20; Luke 24:50, 51; Acts 1:9; Ephesians 4:8-10; Hebrews 4:14-16; 7:25)

(e) That He will come again to receive His people unto Himself and to consummate His Kingdom. (Isaiah 9:6, 7; Daniel 2:44, 45; 7:13, 14; John 14:3; 1 Thessalonians 4: 13-18; Luke 1:32, 33)

4. That in consequence of the fall of Adam, all mankind became "lost" and at "enmity against God"; that all mankind is also "without strength" to do the will of God.

(Psalm 53:2, 3; Luke 19:10; Romans 3:19; 5:6; 12-19; 8:5-7)

5. The work of the Holy Spirit in regeneration, sanctification and assurance.

(John 3:5-8; 16:8-11; Titus 3:4-7; 2 Thessalonians 2:13, 14; 1 Peter 1:2)

6. (a) That the justification of the sinner before God is by faith alone.

(Romans 3:21-26; 4:4, 5; 5:1; Galatians 2:16)

(b) That every justified person is united to Christ and also born of God. (John 1:12, 13; James 1:18; 1 Peter 1:23)

(c) That such new birth results in and is made evident by holiness of life and good works. (Ephesians 2:10; 4:24; Titus 3:4-8)

(d) That holiness of life and good works are summed up in the law of love for God and neighbour. (Matthew 22:36-39; Galatians 5:14; James 2:8)

(e) That Godly love restricts sexual intimacy to the marriage union of a man and a woman for life to the exclusion of all others (Genesis 2:24; 1 Corinthians 6:9-20); **and love values all human life as sacred and defends and protects it from conception through to natural death.** (Genesis 1:26-27; Psalm 139)

7. (a) That with the bodily resurrection and ascension of Christ and the sending of His Spirit, the resurrection age has begun. (Matthew 28:16-20; Acts 2:14-36)

(b) That through their union to Christ in the Spirit, believers participate now in the resurrection age by faith. (2 Corinthians 5:17; Colossians 3:1)

(c) That believers live also in this age of sin and death, and groan along with the whole creation as they wait eagerly for adoption to sonship, the redemption of their bodies. (Romans 8:9-23; 2 Corinthians 5:17; Colossians 3:1)

(d) That at the end of this age the dead will be raised either to life or to condemnation and that the blessedness of the righteous and the punishment of the unrighteous will be alike eternal. (Daniel 12:2; Matthew 25:46; 1 Corinthians 15:51-57; Acts 17:31; Romans 14:9-10; 2 Corinthians 5:10; Philemon 3:20-21; Revelations 20:11-15)

8. We believe that the true church is that which will ultimately be gathered around Christ in heaven, and all who share in Christ are united in sitting under the authority of His Word irrespective of denomination or class group: “All One in Christ Jesus”. (Galatians 3:28; Ephesians 4:4-16)

5. Code of Conduct

Purpose

This Code of Conduct affirms MTC's requirement for responsible social and ethical behaviour from all involved in the MTC ministry. This guideline clarifies the standards of behaviour that MTC expects from all employees, volunteers, speakers and others involved in MTC. In addition, MTC Board members are required to sign an Annual Affirmation Statement as described in para. 2.11 of the MTC Board Standing Policies Manual.

Principles

Mount Tamborine Convention (MTC) is a Christian organisation that seeks to glorify God by proclaiming Christ through the organisation of its ministries. The principles behind this code are biblically based and are seen as the requirement for all who belong to Christ.

They have been outlined in this document because, as sinners being made perfect in Christ, Christians can fail to resist temptation and behave in a manner that dishonours Christ and brings the gospel into disrepute.

Policy

Our Code of Conduct applies to all paid staff, volunteers and anyone involved in the MTC Ministry and provides the framework of principles for conducting ministry as well as dealing with one another. Paid staff should recognise that the Code of Conduct does not replace legislation and if any part of it is in conflict with the Law, then the legislation takes precedence.

Any person, who in good faith, raises a complaint or discloses an alleged breach of the Code, whilst following correct reporting procedures, will not be subject to disadvantage or prejudice as a result of their complaint or disclosure. All reports will be dealt with in a timely and confidential manner.

MTC expects co-operation from all involved in the MTC ministry in conducting themselves in a professional, ethical and socially appropriate manner of the highest standards. Any staff member in breach of these guidelines may be subject to disciplinary action, including termination of their contract of employment. Volunteers and others involved in the MTC ministry may be asked to step down from their position immediately.

Should an employee have doubts about any aspect of the Code of Conduct, they must seek clarification from the MTC CEO.

These guidelines will be reviewed every three years by the MTC Board and any necessary changes will be implemented by the MTC CEO.

1. Professional Conduct Guidelines

- Hold firm to the Statement of Faith and avoid any behaviour (in thought, word or deed) that dishonours God.
- Obey God as he calls us to in His word and obey the law of the land.
- Maintain a high standard of integrity and professionalism in all actions.
- Be responsible and scrupulous in the proper use of MTC information, funds, equipment and facilities.
- Be considerate and respectful of the environment and others.
- Exercise fairness, equality, courtesy, consideration, grace and sensitivity in dealing with others.
- Perform duties with skill, honesty, care and diligence, as unto the Lord.
- Abide by policies, procedures and lawful directions that relate to your involvement with MTC. For paid staff, this will include lawful directions in the carrying out of your duties.
- Avoid the perception that any business transaction may be influenced by offering or accepting gifts.
- Under no circumstances may employees offer or accept money beyond their legal remuneration.

2. Personal Conduct

MTC is a Christian ministry that exists in order to see people's lives changed by Christ through the preaching of God's word and by His Spirit at conventions. It is a ministry that, in God's providence, has been fruitful for over 80 years. We both rejoice and are humbled before God for such a privilege and responsibility.

As stewards of this ministry, we are keenly aware of the continued integrity of life before God required from all involved: "Be holy because I am Holy" (1 Peter 1:16).

We are aware of how easily this ministry, and the gospel of the Lord Jesus Christ, may be called into disrepute by our own sin. As fallen human beings we are all weak, and liable to sin in thought, word and deed every day. We each need God's grace, mercy and forgiveness as we continue to work out our salvation and as we are being conformed to the likeness of His Son.

Yet, even though we are God's children, we can at times consciously and wilfully enter into certain behaviours that are disobedient, displeasing to God, unworthy of Him and dishonouring to His Name. We can also permit these behaviours to continue in our lives until they become entrenched habits, routines and addictions. They may establish such a hold over us that alone we cannot defeat them. We require God's help together with the help of God's people.

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Romans 10:9-10; 1 Corinthians 6:9-11).

We believe that in order to preserve the function and integrity of MTC as a Christian organisation, and to provide a Biblical role model to MTC members and the community, it is imperative that all persons employed by MTC in any capacity, or who serve as volunteers, agree to abide by this Code of Conduct indicated by their signature on the declaration at the end of this document.

By signing this document you declare that you are not involved in any behaviour that, if it was publicly exposed, would result in you:

- Becoming the subject of scandal or defamation;
- Being stood down from your position of ministry; and/or
- Facing charges by law enforcement authorities and possible conviction that would be punishable by penal servitude or imprisonment;
- Bringing the gospel of the Lord Jesus Christ into disrepute.

Such behaviours may include (but not be limited to) such things as:

- Sexual misconduct, such as:
 - Marital unfaithfulness
 - Promiscuity
 - Addiction to pornography, including child pornography and production and/or distribution of the same
 - Sexual abuse
- Drunkenness;
- Addictions to alcohol or other legal or illegal drugs;
- Financial malpractice including failure to pay just debts;
- Domestic violence of any type, including verbal, physical, emotional, financial, etc;
- Child abuse of any type, including inappropriate pastoral conduct involving a child.

6. Safe People, Places & Events - Policy

Introduction

Mount Tamborine Convention (MTC) affirms that everyone has the right to be emotionally and physically safe, respected, and have their views and opinions valued. Not only do we live in a country that legislates for people's safety, God also calls His people to show appropriate care for children and vulnerable people who need to be protected because of their powerlessness (Ex 22:21-22, Deut 10:17-19, Jer 22:2-4, James 1:27).

In many of its activities MTC is host to families and their children. At MTC Conventions, MTC provides special ministries for the children. MTC recognises that families have the primary responsibility for the upbringing and development of their children and for participating in decisions affecting their children. They allow their children to participate in MTC activities assuming they are safe. Every effort must be made by MTC to ensure that the parents' trust is not misplaced.

We want all children and vulnerable people who participate in any MTC programs to have a safe and fulfilling experience. Our policy has been developed to help us live out our biblical mandate and our responsibilities under Australian legislation.

MTC's Moral Obligations with regard to Child Protection

MTC's vision, mission, and values statements require us and empower us to do everything that Jesus asks of us; in particular, and as recorded in Mark 9: 36-37:

³⁶ He took a little child whom he placed among them. Taking the child in his arms, he said to them, ³⁷ "Whoever welcomes one of these little children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me."

And again in Matthew 19: 13-15:

¹³ Then people brought little children to Jesus for him to place his hands on them and pray for them. But the disciples rebuked them.

¹⁴ Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." ¹⁵ When he had placed his hands on them, he went on from there."

And remember Jesus Commandments: Matthew 22: 34-40:

³⁴ Hearing that Jesus had silenced the Sadducees, the Pharisees got together. ³⁵ One of them, an expert in the law, tested him with this question: ³⁶ "Teacher, which is the greatest commandment in the Law?"

³⁷ Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind."^[d] ³⁸ This is the first and greatest commandment. ³⁹ And the second is like it: 'Love your neighbour as yourself.'^[d] ⁴⁰ All the Law and the Prophets hang on these two commandments."

2.2 By Jesus' words we are made strongly aware of what we need to do to keep children safe, and to set an environment in which they can experience the love of God toward them. All people, including children, are made in the image of God. As Christians we believe that God reaches out to us in love and acceptance, and that our relationships with each other should express love, care and respect. Central to living out the gospel is to love God and to love others. As followers of Jesus, we are committed to providing safe environments for all people, including children, so that they may live life in all its fullness. Children are gifts of God to be received, welcomed and to be cared for responsibly and justly.

3. MTC's Legal Obligations:

3.1 Unfortunately not all children are protected from harm. Abuse occurs across all areas of society. Some adults will look to find opportunities to form special relationships with children which may become exploitative. Whilst children, parents and the community at large should be aware of 'stranger danger', most people who sexually abuse children are known to the victim through family, friends, school, sports groups, church and other community-based activities.

3.2 There have been many inquiries in recent years conducted by various Parliamentary bodies both Commonwealth and State.

3.3 The findings of these various commissions and inquiries have led to Parliaments enacting various pieces of legislation to which MTC is now subject.

3.4 MTC also needs to be advised by the Report of the Royal Commission of Enquiry into Institutional Responses to Child Sex Abuse and particularly the Key Elements of Child Safe Organisations – Research Study Final Report.

4. MTC Policy:

4.1 In response, the MTC Board has adopted the policy - "Children, Young People and Vulnerable People Protection Policy" as detailed at para. 7.5 of the MTC Board Standing Policies Manual. As well, every person, paid staff or volunteer, involved in the day to day operations of Mount Tamborine Convention trading as Mount Tamborine Christian Convention and Mount Tamborine Conference Centre, has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children, young people and vulnerable people is at the forefront of all that they do and in every decision they make.

4.2 Accordingly and in accordance with section 3.1.2 of the MTC Board Standing Policies Manual, the MTC CEO has established an:

8. Professional Use of Social Media

MTC expects its staff, volunteers and others involved in the ministry to maintain a certain standard of behaviour when using Social Media.

This policy applies to all at MTC who contribute to or perform duties such as:

- maintaining a profile page for MTC on any social or business networking site (including, but not limited to LinkedIn, Facebook, Instagram, Twitter, MySpace, Bebo or Friendster);
- making comments on such networking sites for and on behalf of MTC;
- writing or contributing to a blog and/or commenting on other people's or business' blog posts for and on behalf of MTC; and/or
- posting comments for and on behalf of MTC on any public and/or private web-based forums or message boards or other internet sites.

MTC do not seek to censor people's opinions, but ask that those not in paid positions at MTC discuss opinions that may be opposed to MTC's mission and vision directly with the MTC Board Chair or the MTC CEO. Paid staff are expected to comply with this policy as outlined in the procedure set out below.

Procedure

No staff member, volunteer or other person involved in the Ministry of MTC is to engage in Social Media as a representative or on behalf of MTC unless they first obtain written approval from the MTC Board Chair.

If any staff member, volunteer or other person involved in the Ministry of MTC is directed to contribute to or participate in any form of Social Media related work, they are to act in a professional manner at all times and in the best interests of MTC.

All staff members, volunteers or other persons involved in the Ministry of MTC must ensure they do not communicate any:

- confidential information relating to MTC;
- material that violates the privacy or publicity rights of another party; and/or
- information, (regardless of whether it is confidential or public knowledge), about clients, business partners or suppliers of MTC without obtaining prior authorisation or approval to do so; on any social or business networking sites, web-based forums or message boards, or other internet sites.

Confidential Information includes any information in any form relating to MTC and related bodies, clients or businesses, which is not in the public domain. This includes, but is not limited to

information relating to delegates, speakers, financial details or reports, and other internal information otherwise available to you due to your relationship or involvement with MTC.

Guidelines

1. We only use social media when we have a written strategy.

Social media without a strategy is like pulling out of your driveway without a destination - you're moving, but you don't know where. Prior to each convention, we create a plan for what channels we'll use, how we'll use them and who will be responsible for creating the content, and only under these circumstances will we pursue the use of social media.

2. We will use Buffer to upload social media content.

This content will be approved by the Convention Coordinator prior to going live. This is to act as an extra check on the accuracy of content, and also ensure that content is spread out across the week and during the times that our customers are most likely to engage with it.

3. We resolve complaints offline.

If a customer makes a complaint on social media it is up to MTC staff to communicate their desire to resolve the issue and request their contact details (via Direct Message/PM). We then promptly follow up with a phone call. To maintain accountability, volunteers cannot respond to complaints without prior approval by MTC staff.

4. We only post content that is edifying and unifying.

Our motto is 'All One in Christ Jesus', and we therefore won't use our social media channels to post content that criticises or critiques other believers or organisations. This doesn't mean we always agree with other believers (is there any Christian we agree with entirely!?), but we won't communicate this on social media.

5. We will serve our customers and put their needs first.

This means sharing content that is valuable (not just promoting our events), accurate and responding promptly and courteously to any queries we receive.

6. We don't post photos of children.

Unless we have explicit, written approval from both parents to post to the specific social media channel.

To learn more, please refer to MTC's Social Media Procedures Document.

9. Workplace Health & Safety

Policy

MTC will, as far as practicable, provide a safe work environment for the health, safety and welfare of staff members, volunteers or other persons involved in the MTC Ministry, as well as members of the public who may be affected by our work.

To do this, MTC will:

- develop and maintain safe systems of work, and a safe working environment
- consult with staff and volunteers on safety
- provide information and training for employees
- remove unacceptable risks to safety
- provide staff members, volunteers or other person involved in the Ministry with adequate facilities (such as clean toilets, cool and clean drinking water, and hygienic eating areas)

Ultimately, everyone is responsible for ensuring health and safety when working at MTC.

All persons responsible for the work activities of others are accountable for:

- Identifying practices and conditions that could injure staff members, volunteers, and members of the public or the environment;
- Controlling such situations or removing the risk to safety. If unable to control such practices and conditions, report these to the MTC CEO.

MTC demands a positive, proactive attitude and performance with respect to protecting health, safety and the environment by all those involved in the MTC ministry.

10. Grievance & Whistleblower Policies

MTC recognises that despite our efforts to work well in partnership and act at all times in Christ-like ways and observe the agreed MTC Code of Conduct, there will be occasions where MTC staff members or volunteers may have a grievance or serious legal/ethical concerns with another MTC staff member or MTC volunteer. We read of such disputes and difficulties between believers in the New Testament (Acts 15:39, Phil 4:2ff). Therefore we ought to not assume that such issues might not arise within our ministries despite our best intentions. Our ideal is unity and peace between brothers and sisters in Christ as we labour in the Lord (Ps 133:1).

These policies set out briefly how MTC will handle any such grievances or legal/ethical concerns. It is informed by the Scriptures (especially the principles outlined in Matthew 18:15-17), in keeping with our core values. In any dispute or grievance the individuals directly involved should, as appropriate, discuss the question, dispute or difficulty as soon as practicable as brother or sister in Christ (Matt 18:15). It is far better to have matters resolved quickly if possible. The Christian virtues of humility, repentance, forbearance, love, generosity, forgiveness and justice ought to drive our responses in reconciling differences (Matt 18, Eph 4:1-3, Gal 5:22-23).

10.1 Grievance Policy

1. If the initial discussions do not result in a settlement, the question, dispute or difficulty will be referred to the MTC CEO or the Chairman of the Board in keeping with the model from Matt 18 of asking an elder or someone in authority to help mediate. The MTC CEO/Chairman of the Board will endeavour to resolve the matter between the parties if possible ideally by all parties meeting together. If the dispute involves the MTC CEO or the Chairman of the Board, the MTC Vice Chairman will hear the matter. Parties to the dispute are welcome to have a support person present for these discussions.
2. If this attempt at resolution does not result in a settlement of the matter, at the request of either party the matter will be considered by the full Board. The complaint or grievance must be made in writing and given to the Chairman of the Board. If the dispute involves a Board member, the Complainant can ask that the dispute or grievance be heard and resolved with reference to an outside mediator such as Peacewise or Resolve Counselling. This formal written complaint must be received by the Board or mediator within three (3) months of the initial raising of the question, dispute or grievance between the parties. The written complaint must be given to the Board and the other party involved.
3. MTC will make its best endeavours to get the report of the mediator or the deliberations of the MTC Board, hearing the dispute, finalised within three (3)

months of receiving the written complaint and the determination provided in writing to the parties involved. The Board will consider the dispute in light of the MTC Code of Conduct.

4. All investigations and outcomes will be confidential and disclosed only to the various parties at the discretion of the MTC Board.

10.2 Whistleblower Policy

1. Mount Tamborine Convention (MTC) requires Board directors, officers and employees, whether paid or volunteer, to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of MTC, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

2. Reporting Responsibility

This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns internally so that MTC can address and correct inappropriate conduct and actions. It is the responsibility of all board members, officers, employees and volunteers to report concerns about violations of MTC's code of conduct or suspected violations of law or regulations that govern MTC's operations.

3. No Retaliation

It is contrary to the values of MTC for anyone to retaliate against any Board member, officer, and employee or volunteer who in good faith reports a code of conduct violation, or a suspected violation of law, such as a complaint of discrimination, or suspected fraud, or suspected violation of any regulation governing the operations of MTC. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment.

4. Reporting Procedure

MTC has an open-door policy and suggests that employees share their questions, concerns, suggestions or complaints with their supervisor. If you are not comfortable speaking with your supervisor or you are not satisfied with your supervisor's response, you are encouraged to speak with the MTC Board Chair. Supervisors and managers are required to report complaints or concerns about suspected code of conduct and legal violations in writing to the MTC CEO, who has the responsibility to investigate all reported complaints. Employees with concerns or complaints may also submit their concerns in writing directly to the MTC Chair.

5. Compliance Officer

The MTC Compliance Officer (the person occupying the position of MTC CEO) is responsible for ensuring that all complaints about unethical or illegal conduct are investigated and resolved. The Compliance Officer will advise the MTC Board of Directors of all complaints and their resolution and will report at least annually to the Chair of the Audit and Compliance Committee on compliance activity relating to accounting or alleged financial improprieties.

6. Accounting and Auditing Matters

The MTC Compliance Officer shall immediately notify the Audit and Compliance Committee of any concerns or complaint regarding corporate accounting practices, internal controls or auditing and work with the committee until the matter is resolved.

7. Acting in Good Faith

Anyone filing a written complaint concerning a violation or suspected violation must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary matter.

8. Confidentiality

Violations or suspected violations may be submitted confidentially by the complainant. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

9. Handling of Reported Violations

The MTC Compliance Officer will notify the person who submitted a complaint and acknowledge receipt of the reported violation or suspected violation. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.

10. Compliance Officer: The Compliance Officer is designated by MTC to receive, investigate and respond to complaints and is the MTC CEO – Mr. Ross Dinnar – 0405 581 908 – ross.d@mtcc.org.au
